BOLETÍN INFORMATIVO

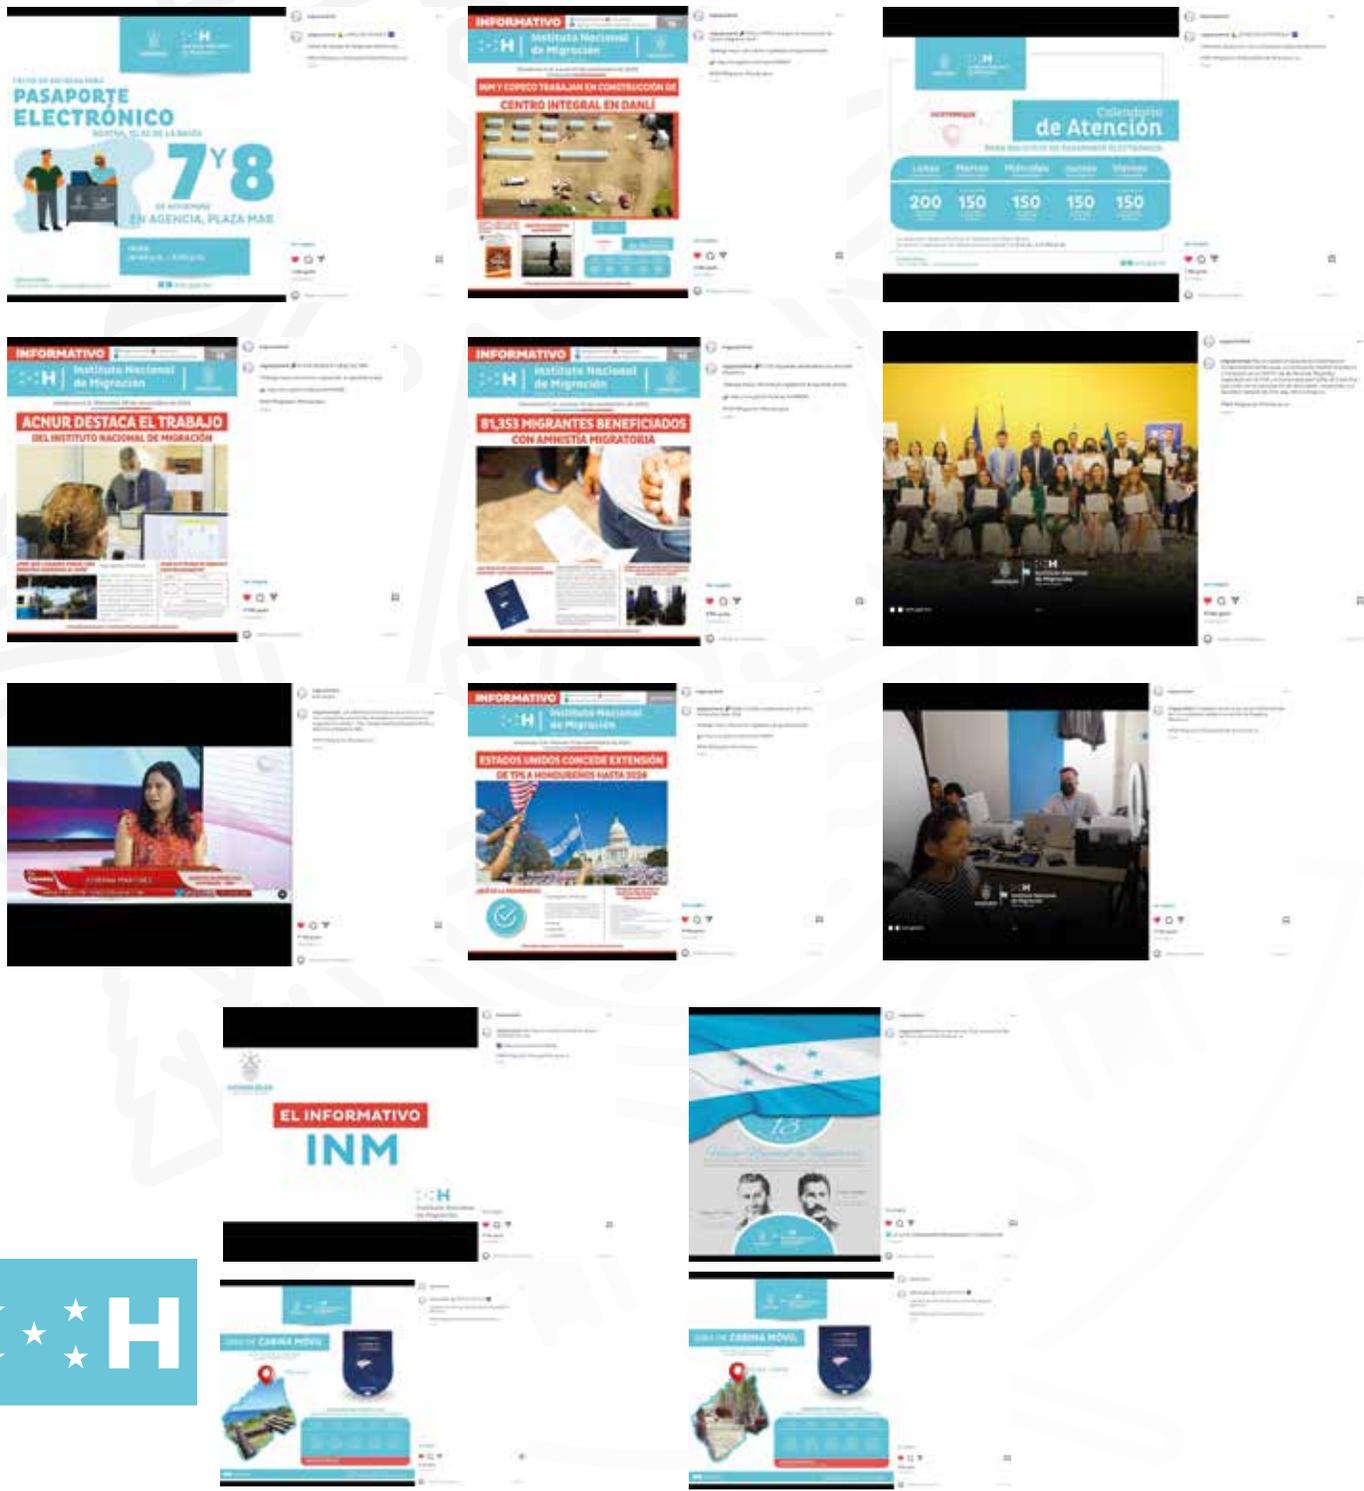

NOVIEMBRE DEL 2022

The grid contains 18 video thumbnails, each representing a social media post. The posts feature various individuals speaking at events, often with a microphone and a podium. The thumbnails are arranged in a 4x4 grid, with the bottom-right cell being empty. Each thumbnail includes a video player interface with a play button, a title, and a description. The titles and descriptions are in Spanish and provide context for the videos, such as mentioning specific dates, locations, and the names of the speakers. For example, one post mentions 'Diputado Rafael Argente' and another mentions 'Dra. Ruth Aguilar'. The descriptions often discuss migration-related topics and the role of the Instituto Nacional de Migración.
