BETWEEN
NORTH CAROLINA STATE UNIVERSITY
RALEIGH, NORTH CAROLINA, UNITED STATES OF AMERICA
AND
NATIONAL UNIVERSITY OF FORESTRY SCIENCES
SIGUATEPEQUE, COMAYAGUA, HONDURAS

This Memorandum of Understanding (MOU) serves as the starting point to leverage the complementary strengths of research, teaching and enterprise between North Carolina State University and National University of Forestry Sciences. The programs to be initiated through this MOU are based on a spirit of cooperation, reciprocity, and mutual benefit. It is envisaged that each institution will manage its own costs and will seek to share the benefits gained through this cooperation.

1. Both Institutions hereby agree to encourage, promote and develop academic exchanges, research collaboration and educational training programs.
2. Both Institutions will make every effort to exchange faculty, scholars, and students, as well as educational, research, and scholarly materials appropriate to the areas of collaboration.
3. The Institutions will enter into further, specific binding agreements involving or related to the collaborative activities described herein ("Specific Agreements"). The Specific Agreements will delineate the parties' rights and obligations, and will address, among other things, confidentiality, funding, and intellectual property rights, and be signed by both parties' authorized signatories before commencing any of these activities.
4. This MOU will remain in effect for three (3) years from the date of signing, and is renewable thereafter for three-year terms subject to mutual consent in writing. Either Institution may be terminate this MOU by giving at least six months notice in writing to the other Institution.
