(CONSULTING / MANAGEMENT SERVICES)**

**ALIANZA PARA EL CORREDOR SECO (ACS)**

Project Number No. P148737

Assignment Title: Corredor Seco- Food Security Project (ACS-GAFSP)

Reference No. PP-16/17-2014

Answers and Clarifications No. 2

Date: January 6, 2015

22. Thank you for the clarification that interested consultants are required to specify the cluster they plan to bid on. Can you please confirm that consultants are allowed to submit two separate EOIs, one for each cluster?

A22= Not, consultants only will be allowed to submit Expression of Interest for one of the two cluster

23. Can you also please confirm that sub consultants may be included on EOIs for both cluster one and cluster two?

A23= Please referred to answer to query No. 12 and No. 22

24. Does INVEST-H expect sub consultants to partner exclusively with lead consultants, or may sub-consultants participate in more than one EOI for each respective cluster?

A24= Please referred to answer to query No. 12 and No. 22

25. In regards to question 18, we would like to respectfully request further clarification on the documents INVEST-H would like to see in the EOI pertaining to sub consultants. The answer to question 12 says that firms should submit "relevant information" about each partner. Would INVEST-H like to see financial documentation from sub consultants?

A25= The required information has been set up in the advertising of RFEOI, and it referred to general and specific experience and financial capacity of consultant

26. Are short-listed consultants free to add sub consultants at the final proposal stage, even if the sub consultants had not previously been included in the EOI?

A26= Please referred to answer to query No. 20
