

## NOTIFICATION No.003-2020

APRIL 01, 2020

### **SUBJECT: EXCEPTIONS FOR LICENSES, MEDICAL CERTIFICATES, PROFICIENCY CHECKS AND AIRCRAFTS TYPE RATINGS FOR AERONAUTICAL TECHNICAL PERSONNEL.**

The **Honduran Civil Aviation Agency (AHAC)** is a decentralized entity of the Secretary of Defense. In compliance with the provisions issued by the Presidency of the Republic in Executive Decree PCM-021-2020, dated 15 March two thousand twenty (2020), in which a state of emergency has been declared to prevent the spread of COVID 19, to Air Transport companies and Honduran aeronautical technical personnel **INFORMS:**

Due to the suspension of all administrative activities of the **AHAC: exceptionally**, it grants an extension of the period of validity of the licenses issued by this agency until **May 30 of this year**, comprising the following:

1. Private, Commercial, ATP Pilot Licenses.
2. Maintenance Technician Licenses TI, TII
3. Flight dispatcher license.
4. Cabin Crew Licenses.
5. Medical certificates.
6. Proficiencies checks.
7. Rating of flight and ground instructors on aircraft.
8. Aircrafts type ratings.
9. Language proficiency assessments.
10. Recurrences.
11. Air traffic controller licenses.
12. Maintenance Assistant Licenses.
13. Authorizations as delegated inspector and delegated examiner.

This period will begin to run from the expiration of its corresponding license document, rating or medical certificate. **This notification is only applicable for those licenses valid at the time of the state of emergency, and whose expiration is within the aforementioned period.**

These provisions will be effective as long as the Government does not issue new measures or suspend the current ones, in any case this Civil Aviation Authority will issue the official communication through this notification mechanism.

Notification No. 002-2020 dated March 31, 2020 is without value and effect and replaced by this one.
